

About Pif Press

Pif Press is an ambitious press dedicated to the publication of new and original works by authors with unique stories to tell.

Some more info should go here...

Pif Press is the parent organization to Pif Magazine , The Arts and Technology Magazine, and one of the longest-running, continuously published magazines on the internet. Founded in 1995, Pif Magazine continues to bring its readers quality poetry, author interviews and fiction each and every month.

Pif Press is a subsidiary of DiMax, Inc .
